

Small Group Questions for Discussion:

Infinitum Discipleship

Facilitator Note:

Prepare participants to view the Call to Arms video. Use a comfortable space where you can speak together without interruption if possible. Depending on how much the group engages, this could take up to an hour.

Please feel free to add or adapt questions for your group.

•

Begin with prayer, and then spend a few minutes sharing about how discipleship has manifested in your life up to this point. What programs or relationships have helped you to follow Jesus more closely and why do you think that is?

Talk about why each of you are there and what you hope to learn.

Respond to the Following Questions:

1. How might infinitum work out practically in your life or ministry context? What might need to be changed in order to reorient your life to this way?
2. What kinds of intentional relationships do you have? If you don't have any, what's holding you back?

3. The three vows for Infinitum are: Surrender, Generosity, and Mission. The following are a few questions that will help you consider each of them:
 - a. **Surrender:** If you could give up one thing, what would it be, and why?
 - b. **Generosity:** Has anyone been generous to you this last week – in resources, words and actions?
 - c. **Mission:** Where is God at work in and around you and your community?

4. What is something that you can do now, today, that will help you move toward following Jesus more closely?

•

End in prayer over the plans you have made and thoughts you have discussed.
